FEEBLE OLD LADY

Has Strength Restored By Vinol

Mrs. Michael Bloom of Lewistown, Pa., who is 80 years of age, says: "For a long time I have been so feeble that I have had to be wheeled around in an invalid's chair. I had no strength and took cold at the slightest provocation, which invariably settled on my lungs, and a cough would result. My son learned of the cod liver preparation called Vinol, and procured a bottle for me. It built up my strength rapidly, and after taking three bottles I am able to do most of my work, and I can walk a quarter of a mile easily. Every aged or weak person who requires strength should try Vinol. I am delighted with what it has done for me."

As a body builder and strength creator for old people, delicate children, weak, run-down persons, and after sickness, Vinol is unexcelled. If it fails to give satisfaction we will return your money.

NONE BETTER

Everything Found in Apple-Pie Order and Just as it Should Be

The following letter is self-explanatory and speaks for itself—

MAYSVILLE, KY., March 1st, 1909.
Hon. F. P. James, Auditor, Frankfort, Ky.,
Dear Sir: Agreeably to your request, I have made an examination of the office of C. L. Wood, Clerk of the Mason County Court, in the manner prescribed by you up to December 1st, 1908, and find that said Clerk has made true report of fees collected for State taxes on deeds, mortgages, powers of attorney, marriage licenses and seals as shown by his tri-yearly reports, and that there is nothing due the State from said office up to the time stated above.

I have also examined the office of the Circuit Clerk, Mr. Isaac Woodward, and find that he has complied with Sections 2271, 2274, Kentucky Statutes, in regard to the collection of fees due the State.

I take pleasure in reporting that I did not find any errors in the clerical work of either of said offices. Very truly yours,

H. L. WALSH,
Revenue Agent for Mason County, Ky.

STOCK SALES

Well Attended, Large Offerings and Fairly Good Prices Prevail

Owing to wet grounds and threatening weather there was a change of base from the East End Fairgrounds to Daulton Bros' Stables in West Second street, where auction sales were held yesterday morning and afternoon.

Considering the early morning weather conditions, there was a good attendance of buyers from a distance and plenty of high-class stock of all kinds on the market.

From 75 to 100 head of horses and mules were sold, ranging in price from \$50 to \$600, besides 23 head of Jersey cows and heifers, selling at from \$20 to \$60.

Not counting regular monthly passengers, 316 visitors from the Ohio side crossed over on the ferry Laurance and on their return each one carried a bundle or package of some kind.

The management is very well pleased with the result of the first day's sales and expect better things for today.

Trouble at Niles, O.

Again the matter of the electric lighting plant was taken up. The system has given no end of trouble since its installation and is now in such condition that it may go to pieces at any moment. Mr. Sheehan reported that the engine was practically worthless, that the cylinder and steam chest were cast in one piece and that a new cylinder would be necessary before the engine could be operated with safety and that a new cylinder would cost \$1,000; also that the transformer and piston were out of repair and that three new regulators were needed, each of which would cost \$220.—Youngstown (O.) Telegram.

Inadequate.

The village president of Reedsville, Wis., writes: "Our pipe line for fire protection and electric light plant was installed a year ago. The machinery is too small, cannot pull the load. The gas producers are too small, and so are the two engines. They cannot give us sixty horsepower, and so we shut the plant down, and now it is in litigation."

Calling a Halt.

The municipal authorities of Mobile, Ala., have been considering the construction of a municipal electric plant, but have come to the conclusion that "it would be poor policy to engage in municipal ownership of utilities other than those which the city now owns."

Elderly People Helped Free

The last years of life are the sweetest, and yet the most difficult to prolong. It is then that the greatest care is exercised in maintaining bodily health. But the chief care should always be with regard to the food you eat and whether you are digesting it properly. You should not allow yourself to become constipated.

No doubt you have tried salts and cathartic pills, purgative tablets, etc., and have come to the conclusion that they are violent in action and do but temporary good. Listen, then, to the voice of experience with regard to a wonderful and mild laxative, Dr. Caldwell's Syrup Pepsin. It is not new, only we are trying to find new friends for it. A. A. Felts, of Johnston City, Ill., suffered from stomach trouble for six years and found his cure in Dr. Caldwell's Syrup Pepsin. His wife uses it too with success. We could name hundreds of others. Some heard of it first through neighbors or friends; others through the doctor's offer to send any sufferer from a stomach, liver or bowel complaint a free sample bottle for trial, without charge. If you will send your name and address he will send you a trial bottle direct to your home. If it proves itself as he claims then continue the treatment by buying a 50-cent or \$1 bottle of your druggist, as all of them sell it. Old people, like children, should look for purity, and it is well to mention that the purity of this remedy is vouched for with the U. S. government. Also, though a free bottle is sent to prove its merits, results are always guaranteed from the regular bottles bought of druggists, who will refund your money if it does not satisfy you. Send at least for the free test bottle today.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell bldg., Monticello, Ill.

THE PLAY THAT HAS BROKEN ALL RECORDS.

"The Lion and the Mouse," the greatest dramatic success the American stage has known, will be presented here shortly by Henry B. Harris with a company of exceptional strength and every requisite in the way of stage accessories. The play is by Charles Klein and it deals with a theme that has human nature as its keynote, the conspicuous element that Mr. Klein has so vividly pictured representing the influence which the moneyed interests of the country is exerting on the social and financial phases of present day life. The triumph which the play has achieved is expressed by the fact that it ran for three years in New York City; has been played for six months to crowded houses in Boston, and broke all records in the city of Chicago during its run of eight months. "The Lion and the Mouse" is due here on tomorrow night.

Mrs. C. S. Hudson of Casper, Wyoming; Mrs. C. A. Harr of Xenia, Ohio; Mrs. Philip Seitz of Bellevue, Ky.; Mrs. Abner Swanner, Mrs. P. F. Doolee, Messrs. Robert and Charles Cogan of Cincinnati, O.

He was a member of the Order of Eagles, under whose auspices the funeral will be conducted from St. Patrick's Church Thursday morning at 9 o'clock.

A BOOZER

Asleep on the Rail—A Narrow Escape From Being Decapitated

In passing West yesterday afternoon the Engineer on the 3:15 C. and O. Fast Flyer noticed a man stretched out on the Eastbound track a short distance beyond Limestone street. The fact was communicated to Mayor Stallecup, who in turn informed Policeman John Bradford of the circumstance.

When that Officer arrived at the designated spot he found the man sound asleep, perfectly oblivious of his danger and things in general. The stranger was drowsy and stupid from drink, and it was all the Officer could do to arouse the snoozer and get him out of harm's way when an Eastbound freight rounded the curve and passed over the rails the fellow had been using for a pillow.

It was a close call for the gentleman from the "State of Lewis," and he can thank his lucky star that he is in the land of the living today, and especially should he feel grateful for the promptness with which the Officer responded to the call of duty.

NOTICE, EAGLES.

All members are requested to meet at our Hall at 8:30 a. m. Thursday to attend the funeral of our late Brother, M. J. Cogan.

SINGULAR PHENOMENON

Electric Freak Explodes on Tuckahoe and Its Strange Results

Mr. R. B. Holten of Tuckahoe informed THE LEDGER Monday of a most remarkable phenomenon at the home of Mrs. B. L. Bacon, which happened about 2 o'clock last Saturday morning during a small thunder shower.

Miss Nannie Bacon, daughter of Mrs. Bacon, had arisen to close a window, when she was startled by the sudden appearance of a large basket-shaped ball of electric fire, which rolled across the front yard and exploded with a report that shook the earth. Miss Nannie was shocked to unconsciousness by the explosion and the entire household was almost in the same condition.

Every window pane in the residence, 62 of them, were literally shattered out of the frames, as were the glasses in the front doors. No other damage was done.

The shock was felt in Maysville, and the writer, who heard it, thought it was an earthquake.

The gage marks 34.3 and falling.

River rose in February 44.2 feet; river fell in February 12.6 feet; mean depth on gauge 26 feet. Total rain in February 8.32 inches.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free.

Correspondence

MT. CARMEL.

Mr. John Marshall of Sardis was here last week.

We are glad to say that William King is able to go about the house.

Will Moore of Foxport will move in the Gilbert Adams property this week.

Dr. G. E. King is ill with pleurisy at the home of his brother, C. A. King.

Sam Tully came in Wednesday from Portsmouth to take up his residence with us again.

Andrew King, having gotten an appointment to West Point, left Friday for his post of duty.

Miss Belle Wallingford came home last week from Tilton, having closed her school there.

Mrs. Susan Massie is spending a few days with her nephew and nieces, Charles Marshall and sisters.

BOGGS.

Miss Louise Tully is attending the Riverside Seminary at Vanceburg.

Mr. and Mrs. F. P. Tully have returned from a visit at Hamilton, Ohio.

F. P. Tully is preparing to enlarge and otherwise improve his residence.

An infant child of Mr. and Mrs. E. C. King died recently, the interment being in Ebenezer Cemetery.

Mrs. D. M. Fearis and Mrs. Reuben Gill, who have been ill for some time, do not improve, materially.

Uncle Sam desires to make our local Post-office a Money Order office, which is not much to the liking of our P. M.

Rev. H. C. Bradley preached two excellent sermons here last Sunday. He will preach here the first three Sundays of this month, and will preach at Valley the fourth Sunday.

Merchants and others of this section are rejoicing over the new commission houses in Maysville. Both are branches of Cincinnati firms. On account of a very bad market in Maysville, most of the produce from this section has been going to Manchester; and in some cases merchants who took eggs to Maysville found such a poor market that they shipped their eggs up to Manchester. The merchants and country people round about Maysville should patronize the new firms liberally, as they alone are responsible for a good market in that city. Instead of the egg market being 5 cents under the Cincinnati market, it will now be up with other towns, and where it should be. The new firms fill a long felt want and help to make Maysville what it should be. Now, when the liquor traffic is driven out; when natural gas is piped in; when the Y. M. C. A. is reorganized; when all the important streets are paved; when there are good sidewalks all over town, where is the city that will be superior to Maysville, or will be more ideal, in which to live? Good people, push the work along.

Conductor Con King of the Maysville Accommodation left Monday to attend the Taft inauguration at Washington City.

DON'T EXPERIMENT

You Will Make No Mistake if You Follow This Advice

Never neglect your kidneys.

If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in this vicinity.

Can Maysville residents demand further proof than that contained in the following testimonial?

Mrs. Mary C. Evans, Vanceburg, Ky., says: "I had troubles by disordered kidneys for fifteen years. My back was very lame and I suffered from a great many other symptoms of kidney trouble. Doan's Kidney Pills helped me more than anything I had previously used and I am therefore pleased to recommend this medicine to other sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
